Project Name: Advisor Gift Bags/Observ.
Description: All of our conference workshops are student led (peer to peer). We ask/assign advisors to "chaperone" the workshop (adult presence). They are to complete an observation form (check list and comments), turn in the form and pick up a Thank You Card and drawing ticket. At the end of he conference, I say a quick thank you and do a drawing of 5 tickets. The five advisors receive a "recycled" gift bag (Deli Bag where the label (turkey, Ham, Etc.) has been covered and the bag filled with other stuff. Post it Notes, pens, leadership books, Can Cozies, Etc. If wanted, I can send the workshop observation form.
