

HOMECOMING SERVICE MORNING

HOMECOMING SCHEDULE:
PRIDE TIME (HOME ROOM)
COMMUNITY SERVICE HOURS
LUNCH
ASSEMBLY
PARADE
COMMUNITY ASSEMBLY

Tips:

We send EVERY student and staff member on some kind of assignment. They work in schools, churches, community, nursing homes, service clubs, parks, etc.

We contact the county, city and service organizations over the summer via mail and email. Several follow-ups are also needed. Volunteer organizations are invaluable.

As the tradition continues, projects will come to be counted on. For example, we now help winterize the baseball diamonds and prepare the cemetery for a special event.

Students have the option to give input as to the work they'd like to do through Google forms a few weeks in advance.

Have special homecoming decorating plans for groups that aren't able to leave the school for various reasons.

Post signs around the schools with assignments, but don't allow switching without express permission.

Ask transportation to set up a bus route and seek donations from community to cover expenses if necessary.

Seek glove and trash bag donations from local businesses.

Give students and staff a worthy focus on the big day!

Our Students and Staff LOVE it!
